

# Annual Report 2021-2022

**SELF EMPLOYED WORKERS' ASSOCIATION KENDRA**

[www.sewakodisha.org](http://www.sewakodisha.org)

*Pradeep Ku Brahma*

## *Preface*

*Amiya Kanta Naik*

It's our immense pleasure to present the 27th edition of the Annual Report of SEWAK. The report contains all the highlights carried out during the year. Year 2021-22 has set a new horizon for the organization. Number of Dignified persons joined with us. We were associated with new collaboration/ Network. New projects have been added in the profile of the organization.

Simultaneously, the 2nd wave of COVID, hit the most in Sundargarh district, about 50% of employees got infected and the people living in the partnering villages has faced the pandemic very closely. The death cases were in alarming stage in Sundargarh district. But SEWAK has reached out all the villages of the operational area during the pandemic situation and landed all possible support.

We are thankful to all the members and well-wishers of SEWAK Parivar. We also want to acknowledge for the support we received from District Mineral Foundation (DMF) Sundargarh, Angul & Keonjhar, NABARD , UPNP Plus, Trickle Up, ITDA Sundargarh, Panposh, Kuchinda & Champua, Odisha State AIDS Control Society (OSACS) , Odisha Forestry Sector Development Project (OFSDP) , DFO Sundargarh, Foundation for Ecological Security (FES), UNICEF , National Health Mission (NHM), Ministry of Minority Affairs- Govt. of India, State Institute of Rural Development (SIRD) , Odisha Livelihood Mission (OLM) and many more.

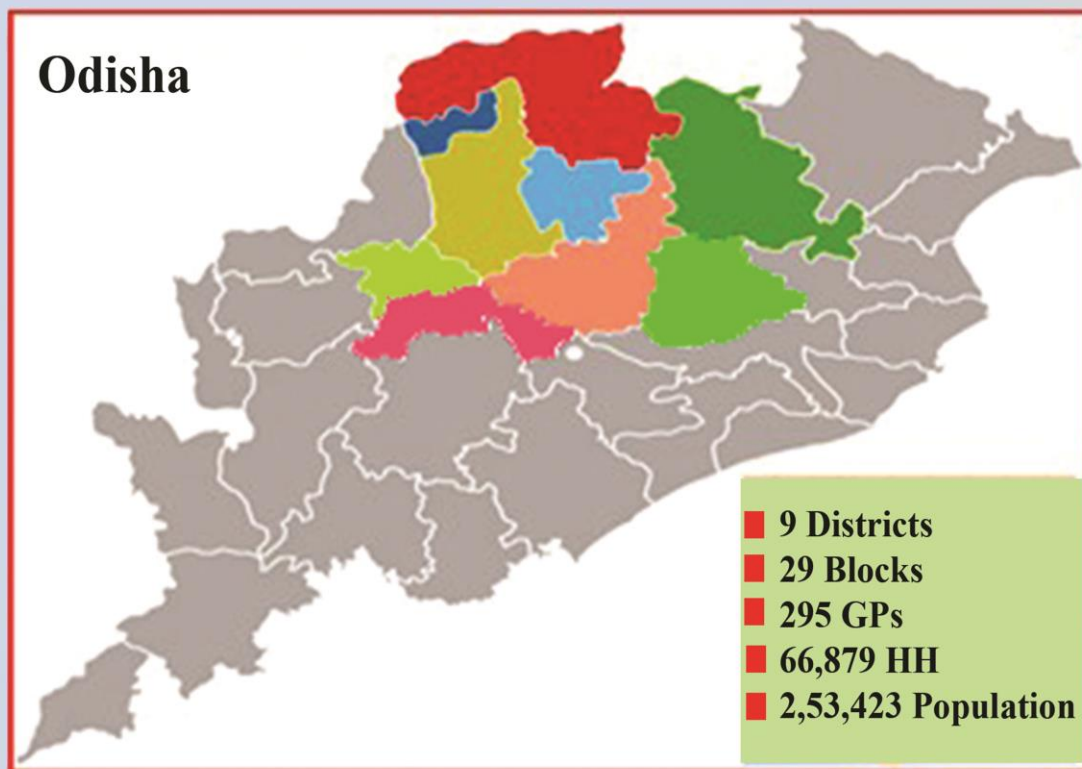

We are very much hopeful for the coming year that, SEWAK will set another mile stone of success.

Mr. Pradeep Ku. Brahma  
Secretary, SEWAK

Mr. Amiya Kanta Naik  
Chairman, SEWAK

- Rules and Regulations for sustainable forest management developed in 90 VSS of Ujjalpur, Hemgir and Lephripara FMU.
- People started control burning for Mahua flower collection.
- 131 Poorest of Poor women were newly included in WSHGs.
- 1860 ST farmers of 82 VSS were motivated for F-1 hybrid vegetable cultivation in Ujalpur, Hemgir, Lephripara, Sundargarh & Bargaon FMU. They cultivated Tomato, Brinjal and Chilli in 782 acres of land.
- VSS Building cum IGA facilitation center is now being used for the regular EC Meeting, GB meeting, SHG Meeting, Covid vaccination, Farmers training and other village development activities.

# HEALTH & NUTRITION

# MAA GRUHA (Maternity Waiting Home)

## Objective of the Project:-

- To establish alternative support infrastructure for addressing communication problems in different tribal pockets for ensuring institutional delivery.
- To increase institutional delivery in the difficult tribal pockets.
- To provide the care to the baby and mother for seven days after discharge from Hospital after delivery.
- To ensure the exclusive breast feeding.

## About the project

- Established in the Year 2013.
- 6 MWH in 2 districts
- 5 MWH in Sundargarh district
- 1 MWH in Sambalpur district)

## Major Achievements:

- 3705 Pregnant mother enrolled and safe delivery has been ensured.
- 97 % of Institutional delivery occurred in Government hospitals.
- 502 Lactating mother enrolled and properly sensitized regarding breastfeeding.
- 3705 Pregnant Mothers & 502 Lactating Mothers are aware of nutrition Food, Ante Natal Care, Post Natal Care, Immunization, etc.

# KALIKA KENDRA- CRECHE PROGRAMME

## About the project

- Support agency- DMF Sundargarh
- Starting date & year of the project- 01.05.2021
- Area coverage – ( 83- Villages, 16-GP of Hemgir Block)
- HHs-10121,
- Population-43548
- Target Group- 6 month to 3 year children.

## Objectives of the Project

- To take care of children, in the age group of six months to three years, of mothers going out for agricultural labour and wage work for eight hours a day.

- 45 human resources were identified and boarded for work at the Crèche level.
- Orientation training has been conducted with all the Crèche staff.
- The concepts of the Crèche center have been shared in 55 villages through village and hamlet level meetings.

# JIBAN SAMPARK-Strengthening Co-ordination between Government and PVTG Communities through Community Mobilization

## About the project

- Support agency- UNICEF
- Starting date & year of the project- 01.05.2019
- Area coverage – ( 5 GP & 52 villages of Lahunipara block in Sundargarh District)
- HHs-5636, Population-2563
- Target Group- PVTG (Paudi Bhuyan) community, 0 to 5years children, Adolescent Girl, Pregnant Mother, Lactating Mother, Eligible couple

## Project Goal

Children, adolescent girls & pregnant/lactating women in PVTG have increased access to health and nutrition services.

## Objectives of the Project

To enhance the uptake of Government of Odisha health and nutrition services by PVTG communities for improved survival and nutrition of their children in the age group of 0-5 years.

## Major Achievements

- Regular home visit and counseling to PVTG community.
- 187 pregnant mothers admitted at Maa Gruha (Maternity Waiting Home) for safe delivery.
- 152 PNC mothers (after delivery) for staying 7days at Maa Gruha for Antenatal care.
- 187 pregnant mothers go to Rourkela for ultra sound & checkup in Matrujyoti Scheme.
- 29 SAM Children admitted in NRC Bonai and got proper care and treatment.
- Drinking water issues resolved in 24 PVTG villages with the support from OPELIP project & RWSS.
- Misuse of THR (chhatua & egg) restricted at all House Hold level.
- Participation of mothers increased in VHSND & Immunization Session.
- By regular counseling and meeting all PVTG family follow proper hand wash practice.

# TARGETED INTERVENTION ON HIV/AIDS

## About project

- Starting date:- 1st October 2008
- Area Coverage- Rourkela & Bonai
- Targeted Group- HRGs (High Risk Groups)
  - ⇒ Man having Sex with Man (MSM)
  - ⇒ Female Sex Worker (FSW)
  - ⇒ Transgender
- 535 FSW & 121 MSM
- Focus Area:- Behaviour change communication of HRGs, Counselling, testing, diagnosis and treatment

## Goal

Prevention of new infection and reduction of prevalence.

## Objectives

- Reduce new infections by 50% (2007 Baseline of NACP III)

# FACILITATING COMMUNITY FOREST RIGHT

## About the project

- Starting date & year of the project- 1st June 2021
- Area coverage – 293 Villages of 9 Blocks of Sundargarh District & 40 Villages of 1 Block of Jharsuguda District
- Target Group- Scheduled Tribes & Other Traditional Forest Dwellers(OTFD)

## Goal of the Project

The Forest Right Act has taken a historic step to support community based conservation and management by recognizing community rights to “protect, regenerate, conserve and manage” any community forest resource (CFR) for sustainable use.

## Objectives of the Project

Empower village assemblies to secure their rights to customary forests under the Forest Right Act. Build capacity to replicate and upscale recognition of community land and forest rights in 9 blocks of Sundargarh district and 1 block of Jharsuguda district. Establish robust systems for socio-ecological monitoring of community lands and forests.

## Major Achievements:-

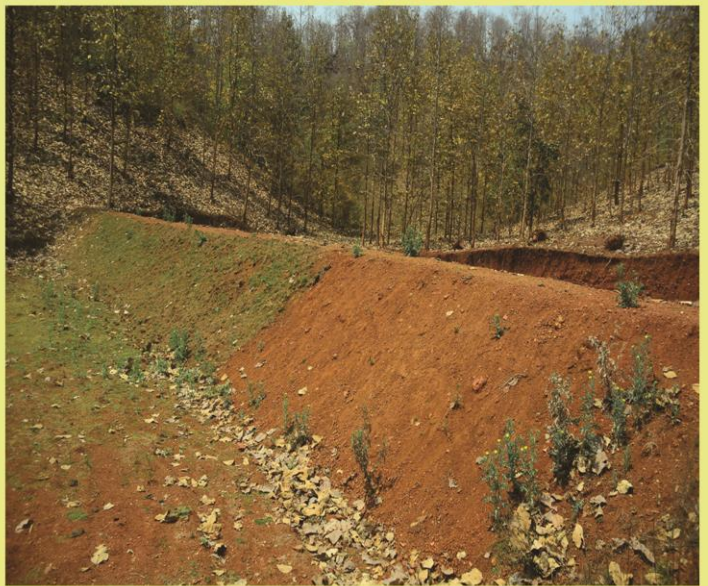

- Awareness programmes on Forest Right Act (FRA) were organized in 670 villages of Sundargarh and Jharsuguda district.
- 670 Forest dwellers are aware of their rights over forest and forest resources that they traditionally occupied.
- Reformation of the Forest Right Committee (FRC) is completed in 210 villages.
- Form Fill-up, Resources Mapping for Community Rights completed in 210 villages.
- Gram Sabha is completed in 102 Community Forest Rights (CFR) villages.
- 2100 cadres developed and trained about Forest Right Act.
- 28 Master Trainers developed on Forest Right Act.
- 38 CFR claims are finalized at Gram Sabha and ready to submit to Sub Divisional Level Committee (SDLC).
- 4 CFR claims have already been submitted at SDLC.
